CONSENT TO LIMITED DTV INTERFERENCE

Television Station WCVB-TV, Boston, Massachusetts, licensed to WCVB Hearst-Argyle Television, Inc., was assigned NTSC Channel 5 and DTV Channel 20 by the Federal Communications Commission (the "FCC"). WCVB-TV has filed with the FCC its election to operate its DTV facility on its assigned DTV Channel 20 after the DTV transition. On June 23, 2005, the FCC tentatively approved WCVB-TV's election of Channel 20.

Television Station WTXX, Waterbury, Connecticut, licensed to WTXX, Inc., was assigned NTSC Channel 20 and DTV Channel 12 by the FCC. WTXX has filed with the FCC its pending election to operate its DTV facility on its assigned NTSC Channel 20 after the DTV transition.

The Commission has identified that WTXX's desired digital operation on Channel 20 would result in 0.4 percent of predicted interference to WCVB-TV's Channel 20 digital facility. WTXX must, by no later than August 15, 2005, file FCC Form 383 with the FCC in which it proposes a resolution to the predicted interference created by its channel election.

Interference studies commissioned by WTXX and presented to WCVB-TV indicate that the predicted 0.4 percent interference from WTXX's proposed Channel 20 operation is immaterial to WCVB-TV. Consistent with the FCC's Second Periodic Review of the Commission's Rules and Policies Affecting the Conversion to Digital Television, *Report and Order*, MB Docket No. 03-15 (rel. Sept. 7, 2004), and, for the purpose of facilitating grant of WTXX's channel election, WCVB-TV hereby agrees to accept the predicted interference by WTXX to 0.4 percent of the WCVB-TV service area population, based upon the specific facilities certified to the FCC in WTXX's Form 381 filing (FCC File No. BCERCT-20041104AYD) and in WCVB-TV's Form 381 filing (FCC File No. BCERCT-20041105ABE).

Proposed modifications to WTXX which, if implemented, would result in interference to the service area population of WCVB-TV beyond the interference agreed to herein, shall require the written and further consent of WCVB-TV.

WCVB Hearst-Argyle Television, Inc.
